## Kansas City DFST Family Reunion Planning Committee

January 30, 2018

Greetings DFST Family ...Happy New Year!

Time is fast approaching and almost upon us to present the most wonderful family reunion for you our family in Kansas City.

As many who attended the 2016 Washington DC reunion may recall the floor was open as to who will host the 2018 reunion? Once the call for all previous chairpersons to come forward to discuss the future of the DFST reunion Kansas City stepped up for the challenge.

This challenge has not been an easy one as we tried hard to find the most economical, comfortable and exciting venue that Kansas City has to offer. Most important, we thank you most graciously for the seed money that was taken up during our last reunion to assist with expenses related to our 2018 DFST family reunion activities/events.

This letter is a reminder concerning our need to have registration forms and money submitted on or before **Friday, April 13, 2018 (Deadline has been extended)**. The new cutoff date will accommodate our contracts that have an early commitment.
